Housatonic Habitat continues as recipient of Stop & Shop Community Bag Program in New Fairfield in February

Danbury, CT 02/17/21 – Housatonic Habitat for Humanity was selected as the non-profit of the month by Stop & Shop at 25 State Route 39 in New Fairfield. For each Community Bag purchased by customers at this location during February, Housatonic Habitat for Humanity will receive a \$1 donation. Customers who purchase Stop & Shop Community Bags at other Stop & Shop locations may also direct their donations to Housatonic Habitat for Humanity by scanning the ticket on the bag and selecting Housatonic Habitat as their charity of choice.

“We are delighted to partner with Stop & Shop and help the environment at the same time,” said Fran Normann, Executive Director of Housatonic Habitat. “The proceeds from this fundraiser will support Housatonic Habitat’s mission.”

Housatonic Habitat for Humanity focuses on making a meaningful difference in the lives of qualified working families by promoting financial stability and self-sufficiency through ownership of affordable homes. Households often consist of those who have limited assets and who have jobs that also have income caps.
