

Every Day!

EARTH DAY 2021

It's more than a slogan. It's more than a day. Join us as we look at sustainable ways to change the world. We're **Housatonic Habitat**. We turn derelict homes into dreams for a first-time home buyer. We repair homes so seniors can age in place. We recycle, re-purpose and upstyle unwanted items into treasures in our **ReStore** ...and fund affordable housing in the process. **Think GREEN**. Be part of sustainable change!
