Habitat for Humanity® BECOME A COMMUNITY PARTNER

Help us build up the community, one house and one family at a time.

WHY PARTNER WITH US?

We're fortunate to live in a community full of incredible nonprofits doing important work. We want you to support the organization that best aligns with your values and your company's mission.

Below, you'll find our Mission, Programs, and Vision, which reflect how we serve families, seniors, and veterans. We view our sponsors as true community partners, not just contributors.

When you review our partnership benefits, you'll notice they're designed to offer meaningful value and recognition. We hope these options resonate with you, and we're always happy to customize a package to meet your needs.

OUR MISSION

We create safe, affordable housing solutions for hardworking families, seniors, and veterans. Through home builds, critical safety repairs, and community support programs, we help people live safely, independently, and with dignity.

OUR PROGRAMS

From Affordable Homeownership and Financial Literacy to Aging in Place services that provide free critical safety repairs for low-income seniors and veterans — we ensure community members can build long-term stability and age safely at home.

OUR VISION

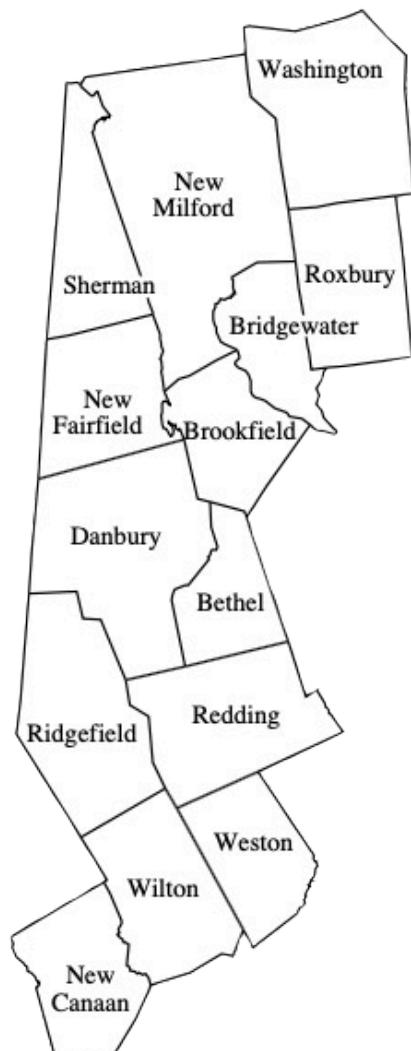

A community where everyone has a safe place to call home and the support needed to thrive — regardless of income, age, or background.
